Kansas Elder Law Hotline and Senior Citizen Law Project: Protecting Seniors' Rights

KLS works with the Kansas Department for Aging and Disability Services (KDADS) and the Area Agencies on Aging as a part of the state aging network. Older Americans Act funds are added together with LSC and other private funds to address this growing area of need.

Medicare Savings Programs

Medicare Savings Programs (MSPs) are programs that help pay for your Medicare medical costs. Remember Part A covers hospital care and Part B covers other medical care.

The Medicare Savings programs (MSP) do not have any estate recovery requirement.

If you think you might qualify for any of these benefits, [print this application](#) and send it to your local DCF (Kansas Department for Children and Families) office. Find your local office on this map:

[You Gave, Now Save -- Guide to Benefits for Seniors](#)

This guide was put out by the National Association of Area Agencies on Aging (n4a) to help seniors explore options to help meet the costs of daily living.

Assistance may come in the form of a voucher, discounts for goods, and free or reduced-price services. The resources are offered through federal, state and local benefit programs and nearly all are available nationwide.

The Senior Citizen Law Project (SCLP)

The Senior Citizen Law Project (SCLP) gives legal services to persons age 60 and older. SCLP focuses on civil legal issues. The goal is to target older persons who have the greatest needs. Top issues include helping seniors get income and medical assistance needed for their well-being. Another top issue is stopping any abuse of elders.

SCLP also has an education program. Elders and workers serving them may learn about elders' rights and protections under the law.

If you or someone you know is a victim of elder abuse, help is available from the Elder Justice Initiative.

Elder Law Hotline

Elder Law Hotline is a project of KLS. Hotline attorneys answer questions in civil cases for Kansans age 60 or older. Cases may be referred to a local Senior Citizens Law Project attorney or a private attorney. The Elder Law Panel of lawyers is a partnership that KLS has with the Kansas Bar Association.

The Elder Law Hotline serves the rising need for quality elder law services in Kansas. In Kansas, many older persons may have health or physical problems or live in an isolated place. Because of this, a statewide Hotline service is a good way to get legal services to elderly Kansans.

In 2009, the Kansas Bar Association gave its annual Pro Bono Award to the Elder Law Hotline. This award recognizes a lawyer or law firm for the delivery of direct legal services free of charge to the poor.
