

Earned Income Tax Credit -- Are you eligible?

You Could You Be Eligible for a Bigger Refund? Discover the Benefits of EITC

The Earned Income Tax Credit (EITC) is a benefit for working people with low to moderate income.

To qualify, you must meet certain requirements and file a tax return, even if you do not owe any tax or are not required to file. EITC reduces the amount of tax you owe and may give you a refund.

A third of Americans qualifying for EITC are newly eligible.

When Can I Expect My Refund?

If you claim the earned income tax credit (EITC) or the additional child tax credit (ACTC) on your tax return, the IRS must hold your refund until mid-February — even

the portion not associated with EITC or ACTC. Find out more on [when to expect your refund](#).

After you file your return, the best way to track your refund is [Where's My Refund?](#) or the [IRS2Go mobile app](#).
