Free Legal Assistance in Kansas: How to Apply and Qualify

Watch this [short video](#) about how to get legal assistance from Kansas Legal Services and other available legal resources.

Getting Legal Assistance

Individuals seeking legal assistance must first apply. Our field offices can't answer any questions or give legal advice until they have an application on file.

Kansas Legal Services gives free or low cost civil legal advice and representation for persons whose incomes make them eligible. You will find out if you are eligible for legal assistance by talking with an Intake Specialist, whether you apply online or call our intake line.

You can apply for legal assistance by filling out our [Online Application](#) or by phone 316-267-3975

You may fill out [our Online Application](#) after business hours and on weekends/holidays, any time you have access to the internet. We will try to call you within a week, longer if we are having a heavy volume of applications.

You can fill out the [Online Application](#) between **4:30 p.m. and 8 a.m.** the next morning on weekdays, and on weekends/holidays, whenever you can get online, on a computer, phone or tablet.

We will email or call you at the contact information you gave in the application. Look for the caller ID - 316-267-3975. The Intake Specialist will talk with you to figure out if you are eligible for services.

OR call **316-267-3975 (Monday through Friday from 8:00 a.m. to 4:30 p.m.)** and talk with an Intake Specialist.

KLS handles cases in these areas of law: consumer, employment, family, juvenile, health, housing, income maintenance and individual rights law. Please see our [complete listing](#) of cases we may be able to take.
