## **Additional Questions**

**Whether you use the Online Application or call in to an Intake Specialist, you will be asked further questions.**

Depending on what kind of legal issue you have, you might be asked a lot of identifying information as well as household size, income, and asset questions.

You will also be asked the name of the opposing party in your legal issue. The opposing party might be a spouse in a divorce case, a landlord, or a collection agency, anyone with whom you may have a dispute or legal issue.

You might also be asked about:

- exact income, (such as hourly rate and number of hours each week or gross annual salary before taxes), for each person in your house, not just you
- the amount of rent or mortgage you pay
- any fixed debt payments (like taxes you are paying) child support paid by anyone in your household
- medical debt
- current or back income taxes
- costs of children's daycare

If free or low cost legal services aren't available in your situation, we will do our best to help you learn about other options that might be available.

You can use our **Online Application** anytime day or night.
